

Arab:IT will be presenting at the Commercial Vehicles Middle East Conference 2010, March 9-10, 2010, DWTC Dubai. We will be talking about steps to improve road safety and increasing efficiency. We will also be presenting information about how advance telemetry systems can reduce fleet costs.

We look forward to meeting you before the event or on the day after the presentations. If you would like to have a personal consultation about how the Arab:IT Telargo Solution can be of significant commercial impact to you, please feel free to email us at info@arabit.biz.

For more information please visit our website at www.arabit.biz
